Foreword

ALMA MATER

Sing praises to thee Lincolnview.
Our school whose hallowed name
Brings to us all a life anew of
Honor, glory, fame.
And as we stand in reverie, may
We hear her praises tell
And thoughts become a memory,
We bid thee fond farewell

These words of our alma mater express our great pride in Lincolnview High. Whether it is in sports, scholarship, or music our standards are high. Because of this, Lincolnview students are outstanding wherever they go; not only for achievement, but also for sportsmanship and friendliness.

IN APPRECIATION OF:

Mrs. Genevieve Daniels was a cook at Lincolnview High School from 1959 to 1965. She was head cook from 1963 until her illness. We would like to express our sincere thanks for her many years of service. We hear that she is planning to return as cook next year. We will all be glad to see her back.

Mr. Paul Grilliot has faithfully served Lincolnview High School for six years, beginning in 1959. He has been advisor of the annual staff for the past two years, and he was advisor of this year's graduating senior class for their entire four years in high school. Each one of us on the annual staff and in the senior class would like to thank him for the guidance he has given us and express our appreciation for his time and patience.

WE, THE SENIOR CLASS OF 1966, WISH TO DEDICATE THE SENIOR SECTION TO WALTER PATTERSON

WALTER PATTERSON & MISS EDWARDS

It is with a real sense of achievement that Walter Patterson completes his high school education. He and his family have met and conquered many problems and handicaps in order to accomplish this goal. For Walter is not only blind, but has limited use of his hands and is unable to walk.

Walter started his education by studying Braille for eighteen months under Miss Margaret Langenderfer, a field teacher for the blind for the state of Ohio, from Toledo. He not only learned to read simple Braille, but also many contractions.

He enrolled in the first grade at York School in 1953. Mr. A. W. Fishbaugh, who was superintendent of the school has been very helpful in planning his courses and encouraging him in his work throughout his courses.

Mrs. Chester Wortman taught him in first grade and gave him a very fine understanding of phonetics, which has been of help in all of his lessons.

From second grade through high school his mother and he have had regular classes each school day and Miss Margaret Edwards has met with him once a week.

He has used many devices to help in his learning. Braille blocks were used to learn the alphabet. Cubarisims and abacuses helped in arithmetic. The members of his church gave him a tape recorder and some of his classmates recorded some of his lessons for him. A "Sewell Raised Line Drawing Kit" was used for maps and illustrations. He has had Talking Books. Radio and television have made valuable contributions toward his education.

He joined the Library Club of America at the Brumback Library and read enough books to receive the third and highest award.

In 1964-65 he took a correspondence course in typing for handicapped from the University of Nebraska. His teachers were high in their praise of his work and especially mentioned his fine touch. A number of years ago his mother had placed Braille letters on the keys of his typewriter, but Walter learned how to find the letters without relying on these helps.

Walter is ever seeking to gain more information. He is interested in sports and music. He is especially interested in people and enjoys visiting with them and learning about their families and other interests. So although Walter has completed his prescribed courses, he will go on with his education in any and every way possible.

CLASS OFFICERS

President: Dave Morgan
Vice-President: Debbie Longstreth
Secretary: Mike Duvall
Treasurer: Sylvia Ringwald
Advisor: Mr. William Schroeder

The Junior Class sponsored many activities this year. Some were a dance, cake raffle, and party, but the two most significant were the class play and the prom.

The play, "Seventeen is Awfully Young," was sponsored by Mrs. Jean Miller.

The prom, entitled "Evening In Paris," was the first prom to be held in the new building. It was held in the cafeteria which was decorated with French Murals which provided an atmosphere of a sidewalk cafe. Mr. William Schroeder served as sponsor.

Vice-President --- Diana Gorman
Secretary --- Brenda Reed
Treasurer --- Jerry Kiehl
Mr. Robert Miller --- Class Advisor

Several members of the sophomore class of Lincolnview High School received special honors this year. Susan Foust, Marcia Schaadt, and Judy Scott were chosen as reserve cheerleaders. Jane DuVall was chosen as majorette. Jerry Kiehl and Bill McGee played varsity basketball this season. Brenda Swartz and Sharon Cramer attended the State FHA Convention in Columbus. Sharon was also a member of the State FHA Chorus. Judy Scott's science fair project received a superior rating at the District Science Fair and advanced to the state contest in Columbus. Clark Ringwald and Gary Keltner received FFA awards. Clark won the Scholarship and Project Awards and Gary won the Camp Scholarship Award.

The Sophomores sold basketball pins as a money-making project. Another project was a dance featuring Batman as the disc jockey. We also had a class party the first semester. Thus we have finished another very busy year and are looking forward to next year when we'll be Juniors.

SPORTS

The track team had these two boys who advanced to regional meets. It also set three new school records. Mike DuVall broke the records for the 100 yard dash and for the low hurdles. Glenn Hux, Rex Profit, Dave Richey, and Mike DuVall broke the record for the mile relay. Congratulations, Boys!

M. DuVall, Coach Clark, D. Richey.

The basketball team proudly presented the school with this trophy which they earned by winning six of seven games played in the Northwest Conference to give them the title of runners-up. Coach Clark and the team have a right to be very proud of their season and their fine showing in the tournament.

J. Kiehl, Coach White.

The baseball team had two boys with batting averages over .400. Here Coach White congratulates Jerry Kiehl whose batting average was .429. Herb Summersett was second with .409. Both boys deserve credit for their outstanding averages. The team won the Northwest sectional tournament. Good work, team!

We are the Future Homemakers of America
We face the future with warm courage and high hopes.

For we have the clear consciousness of seeking old and precious values.
For we are the builders of homes,
Homes for America's future,
Home where living will be the expression of everything
That is good and fair.
Homes where truth and love and security and faith
Will be realities, not dreams.

We are the Future Homemakers of America
We face the future with warm courage and high hope.

Our Director, Mr. Kenneth Schortgen.

Under the direction of Mr. Kenneth Schortgen, the Lincolnview High School Band, numbering 84 in all, provided our high school with much fine music this year. In September, the band won second place in the Band Contest at the County Fair.

In December, the Band made their first appearance in their new uniforms at a Christmas Concert. The combination of fine musicians and new uniforms made it a success.

In February, the band helped with the annual musical production by organizing a stage band and by helping on committees.

The Band's final performance of the year came at the Spring Concert. It was a grand finale for a very rewarding year and certainly Mr. Schortgen is to be commended for his fine conducting.

Under the direction of Miss Judith Dysert and accompaniment of Susan Rumble, the Girls Chorus had a very active year. During the staging of the annual Musical, the girls acted as part of the stage crew and contributed much in the success of the Musical. Later, this Spring, they began work on their part of the Spring Concert, which consisted of singing songs to portray Summer. They have done a fine job this year and these girls will certainly be a fine addition to the Mixed Chorus next year.

Presenting -

Miss Judy Dysert, Director

Under the direction of Miss Judy Dysert, the Lincolnview High School Choir, numbering 81 in all, enjoyed a very active and rewarding year. In November, selected members were chosen to take part in the County Vocal Festival at Crestview. In February, the entire chorus began preparation for the annual musical, this year entitled "Where's The Mayor?", which was a tremendous success.

Later in May, the Choir measured up to be a fine group with their participation in the annual Spring Concert. They sang songs which portrayed the moods of each of the seasons of the year.

Certainly Miss Dysert is to be congratulated for her fine directing this year.

Musical Production

Times-Bulletin, Van Wert, O., Wed., Mar. 16, 1966

Lincolnview HS Sets Class Play

"Where Is The Mayor?," a musical comedy will be presented Friday and Saturday by students of Lincolnview High School at the Marsh Foundation auditorium. Curtain time is 8 p. m.

The musical depicts the story of Mayor Ralph Royce who has been in office for 24 years and consistently disappears as he grows increasingly tired of it all. Things take a hilarious turn when the town council passes a bill calling for a new highway that doesn't appear to go anywhere.

Major roles are portrayed by Tom Profit as Mayor Royce, Lloyd Rumble as Mr. Blair, a teacher, and LaNita Wortman as Katie, the mayor's secretary.

Other leading roles are portrayed by Janice Jones, Dave Prior, Rex Profit, Karen Poling, Lynn Pollock, Debbie Longstreth, Stan Kiehl, Judy McCoy, Lynn Lewis, Kathy Mohr, Nancy Ries, Rick Beard and Sherry Long. A 70-voice choir and a 24-piece stage band will also be featured.

The improbable comedy UTOPIA, INC., by Kurtz Gordon, was presented on April 15,1966. This is a whimsical & light hearted study of a well-to-do, but thoroughly unhappy Manhattan family, whose woes are hilariously remedied by a "celestial clerk" who comes to Earth just long enough to remove this one non-utopian smudge from his heavenly ledger of contented humans.

The play was given with special permission of Dramatists Play Senior, Inc., N.Y.

presented October 22,1965, by the Junior Class.

This was the story of the Eliot sisters: Jan, the favored darling, and Nicki, the mouse. The Eliots had just moved to the small town of Riverville and Jan is in revolt. The new school had a student body of less than 300, so Jan was quite let-down until she saw Jack. But when Nicki saw Jack, too, she only began to day dream until Miss Tilby, her teacher, came along and helped. A thumbnail sketch of the whole situation dissolves itself into what is really a tussle between brawn, beauty, & brains, with brains coming out on top for once!
